Re: Jim Hoctor

I have known Jim Hoctor both personally and professionally for over ten (10) years and have found him to be of good character and a person whose word you may trust.

Jim's company, Allrestore Contracting LLC, added vinyl siding to my home in Worthington, Ohio and also did inside carpentry work. He performed the work with the highest quality and workmanship.

Feel free to call me if you have any questions or if additional information is required.

Sincerely,
